INDEPENDENT AUDITORS' REPORT

The Board of Directors
Louisiana Disabled Persons Finance Corporation
Lake Charles, Louisiana

We have audited the accompanying statements of financial position of Louisiana Disabled Persons Finance Corporation (a nonprofit organization), HUD Project No. 064-EH139/LA48-T841-013 as of June 30, 2012 and 2011, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibilities of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisiana Disabled Persons Finance Corporation as of June 30, 2012 and 2011 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards* and the *Consolidated Audit Guide for Audits of HUD Programs* issued by the U.S. Department of Housing and Urban Development, we have also issued our report dated September 13, 2012 on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants and reports dated September 13, 2012 on its compliance with specific requirements applicable to major HUD programs and specific requirements applicable to fair housing and non-discrimination. The purpose of the reports are to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. The reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplementary information required by the U.S. Department of Housing and Urban Development on pages 15 through 18 is presented for the purpose of additional analysis and is not a required part of the basic financial statements of Louisiana Disabled Persons Finance Corporation. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Basic Financial Statements

June 30, 2012 and 2011

NOTE A – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Louisiana Disabled Persons Finance Corporation (the Corporation) is presented to assist in understanding the Corporation's financial statements. The financial statements and notes are representations of the Corporation's management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

1. Organization

Louisiana Disabled Persons Finance Corporation was organized as a nonprofit organization formed to acquire and operate a Section 8 apartment project with twenty units, located in Lake Charles, Louisiana, under the provisions of Section 221(d)(4) of the National Housing Act. The Corporation acquired the apartment project on July 1, 1989 and rents apartments to mentally and physically-handicapped individuals in Southwest Louisiana. A portion of the tenants' rents are subsidized by the U.S. Department of Housing and Urban Development (HUD).

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Financial Statement Presentation

The Corporation has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Corporation is required to report information regarding the nature and amount of its net assets. The Corporation has discontinued its use of fund accounting and, accordingly, has reclassified its financial statements to present net assets. None of the Corporation's net assets are subject to donor-imposed restrictions. Accordingly, all net assets are accounted for as unrestricted net assets under SFAS No. 117.

NOTES TO FINANCIAL STATEMENTS

June 30, 2012 and 2011

NOTE C - COMMITMENTS AND CONTINGENCIES

Louisiana Disabled Persons Finance Corporation receives a substantial amount of its support from the U.S. Department of Housing and Urban Development. A significant reduction in the level of this support, if this were to occur, may have a material effect on the Corporation's programs and activities.

NOTE D - RELATED PARTY TRANSACTIONS

The Corporation shares a common Board of Directors with Calcasieu Association for Retarded Citizens, Inc. (CARC). Any change in the relationship of these organizations could result in changes in financial position significantly different from that reported in these financial statements.

CARC acts as the Corporation's management agent and, as such, provides a substantial amount of support to the Corporation for a management fee based on the lesser of \$600.00 per month or 7.74% of the Corporation's residential income from the apartment complex. For the years ended June 30, 2012 and 2011, CARC's management fees were \$7,200 and \$7,200, respectively.

Such administrative directives, rules and regulations are subject to change by an act of congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

NOTE F - RENT INCREASES

Under the regulatory agreement, the Corporation may not increase rents charged to tenants without HUD approval.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

September 13, 2012

The Board of Directors
Louisiana Disabled Persons Finance Corporation
Lake Charles, Louisiana

We have audited the financial statements of Louisiana Disabled Persons Finance Corporation, HUD Project No. 064-EH139/LA48-T841-013 as of and for the year ended June 30, 2012, and have issued our report dated September 13, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Louisiana Disabled Persons Finance Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance And Other Matters

As part of obtaining reasonable assurance about whether Louisiana Disabled Persons Finance Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance and other matters with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information of management, board of directors and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH SPECIFIC REQUIREMENTS
APPLICABLE TO MAJOR HUD-ASSISTED PROGRAMS**

September 13, 2012

The Board of Directors
Louisiana Disabled Persons Finance Corporation

HUD Field Office

We have audited the Louisiana Disabled Persons Finance Corporation HUD Project No. 064-EH139/LA48-T841-013's compliance with the specific program requirements governing the replacement reserve, tenant security deposits, cash receipts, cash distributions, tenant application, eligibility and recertification, and management functions that could have a direct and material effect on each of its major HUD-assisted program, for the year ended June 30, 2012. The management of the Corporation is responsible for compliance with those requirements. Our responsibility is to express an opinion on compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits in Government Auditing Standards, issued by the Comptroller General of the United States, and the Consolidated Audit Guide for Audits of HUD Programs (the "Guide"), issued by the U.S. Department of Housing and Urban Development, Office of Inspector General. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the requirements referred to above that could have a direct and material effect on a major HUD-assisted program occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Corporation's compliance with those requirements.

In our opinion, Louisiana Disabled Persons Finance Corporation complied, in all material respects, with the compliance requirements described above that could have a direct and material effect on each of its major HUD-assisted programs for the year ended June 30, 2012.

This report is intended solely for the information and use of the board of directors, management, and the Department of Housing and Urban Development and is not intended to be and should not be used by anyone other than these specified parties.

Louisiana Disabled Persons Finance Corporation
Lake Charles, Louisiana

HUD Field Office

We have also applied procedures to test the Louisiana Disabled Persons Finance Corporation HUD Project No. 064-EH139/LA48-T841-013's compliance with the Fair Housing and Non-Discrimination requirements applicable to its HUD-assisted programs for the year ended June 30, 2012.

Our procedures were limited to the applicable compliance requirement described in the Consolidated Audit Guide for Audits of HUD Programs (the "Guide"), issued by the U.S. Department of Housing and Urban Development, Office of Inspector General. Our procedures were substantially less in scope than an audit, the objective of which would be the expression of an opinion on the Corporation's compliance with the Fair Housing and Non-Discrimination requirements. Accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance that are required to be reported herein under the Guide.

This report is intended solely for the information and use of the board of directors, management and the Department of Housing and Urban Development and is not intended to be and should not be used by anyone other than these specified parties.
